WASHINGTON GREEN HAS released an exclusive, limited edition range of jewellery echoing Govinder's stainless steel sculpture Lean On Me - an elegant and powerful modern classic. Enigmatic and sophisticated, the sterling silver cufflinks, pendant and bracelet perfectly capture the look, energy and spirit

of the sell-out sculpture. The eye-catching pieces have all been hand crafted and manufactured in Birmingham's renowned Jewellery Quarter, and are specially hallmarked to incorporate the Govinder logo.

The collection is a tribute to one of the country's most outstanding contemporary artists who tragically died aged just 44 at the end of last year. Deeply missed by everyone, the exceptionally talented award-winning artist had worked with Washington Green for close to ten years. Warm, witty and shy, Govinder was best known for his striking and highly stylised naïve portrayal of the feline and canine form depicting love, friendship and the tug of war between good and evil.

Produced in a limited edition of 995, the jewellery is presented in a chrome box featuring the artist's logo. Pieces from this unique and poignant collection will make perfect gifts - a stylish way to wear your very own work of art.
